REALTOR® Political Action Committee (RPAC)

RPAC is voluntary; it is **not** a mandatory fee. RPAC is the voice of REALTORS® on Capitol Hill. Since 1969 RPAC has been promoting the election of pro-REALTOR® candidates across the United States. In a recent federal election cycle alone, RPAC contributed over \$12 million to pro-REALTOR® candidates to Congress, making it the number one trade association political action committee in the nation. Why has RPAC been successful? Because RPAC is not a charity. RPAC is a business.

On the national level, we give our money to those in Congress who both understand and support REALTOR® issues. We look to build the future by putting RPAC dollars in places that will help advance the interests of Real Estate professionals. RPAC is the only political group in the country organized for REALTORS®, run by REALTORS® and exists solely to further issues important to REALTORS®. Think of your RPAC contribution as an investment. The best investment you'll ever make in your business and yourself. RPAC is your best insurance against poorly designed small business and commercial real estate legislation. If you're not giving your fair share to RPAC, you're not doing all you can to better your profession, your business, and yourself.

Why should I contribute to RPAC?

RPAC is the muscle behind NAR. RPAC represents over 400,000 politically active REALTORS® that members of Congress want as their friends. Recent legislative and regulatory successes include:

- The continued preservation of the mortgage interest deduction
- Tax relief benefiting the real estate industry
- Improving federal mortgage programs, allowing more families to join the ranks of homeownership
- Eliminating burdensome regulations inhibiting environmental quality and healthy real estate markets

How will my contribution be used?

Contributions allow your association's members the opportunity to educate elected officials and candidates on our issues.

100% of your contribution is used to elect pro-REALTOR® candidates: 70% remains in the state to be used in state and local elections. 30% of your contribution will be forwarded to National RPAC to fund key U.S. House and Senate races. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.

RPAC is neither a Republican nor a Democrat organization. Your contribution to RPAC is a vote for a pro-REALTOR® Congress, regardless of political party.
