At Arundel Federal Savings Bank, we specialize in portfolio lending. This means we can offer you more options than traditional lenders, such as our standard conventional products and our niche offerings, to help you to sell more homes. Whether you need a lot loan, a construction perm, a non-warrantable condo, a kiddie condo, or an asset dissipation loan, we have a solution for you.

You can also enjoy a conforming rate on some products up to \$790,000 exceeding agency limits. Our rates are competitive and transparent. See for yourself!
