*"For those of you who haven't checked out the Anne Arundel County Association of Realtors Tech Helpline, you definitely should! When my printer stopped scanning to email after I got a new laptop, I tried everything to fix it myself. I called the company I purchased from for support with no response and even texted them but got nowhere. Finally, I reached out to AACAR Tech Helpline, and they were incredibly patient and helpful. Thanks to them, my printer is now working perfectly, and I can scan to email again! Highly recommend their service!"*
